HOW TO USE THIS SUVERY -- DIRECTIONS

1. Customize the questions with your business name and other specifics
2. Score the answers as follows:
 - Completely disagree = 1
 - Somewhat disagree = 2
 - Neither agree or disagree = 3
 - Somewhat agree = 4
 - Completely agree = 5
3. Calculate the average score for each question (Add the scores and divide by number of surveys.)
4. Use the key below for each Principle to know which to work with first.

Trust Level	Average Score	Priority
Needs Work	1-2	Begin with these Principles
Doing Ok	3	Move to these next
Success	4-5	If needed, fine tune later
